2011-2012 St. Cecilia's Lunch Program

About Our Company

LunchMaster is a family owned company that has been serving schools in Northern California for almost 20 years. We strive to provide the traditional home-cooked taste that kids love, while also using healthy, organic ingredients whenever possible. We have Melissa Manning, a registered Dietitian who specializes in child nutrition on staff to help us plan our menus. She particularly enjoys making food both healthy and fun. At the LunchMaster, we uphold the highest nutritional standards published by the USDA and the American Dietetics Association. We monitor calories, sugar, fat, vitamins, and minerals. Not only do we care about your child's health – we also care about our community, so all our packaging is biodegradable and 100% compostable.

About Our Food

We are proud to announce that this year we are fresh roasting our Beef, Turkey, and Chicken! These meats are Nitrate free and low in Sodium!

Our food is tasty, nutritious and convenient. Lunches have:

- No Trans Fats, Reduced Sugars and are high in Whole Grains
- Organic Lettuce and Vegetables whenever possible
- Fruit and Veggies are individually packed and most fruits are pre-sliced, making them easier to eat!
- All Natural beef products purchased from Fulton
- 100% natural, nitrate free hot dogs from Coleman
- Tillamook Cheddar & an assortment of All Natural cheese
- Barilla plus Pasta (a whole grain source of fiber, protein, and vital ALA Omega-3s)

About Our Menus

Our complete menu will be available to you online at www.thelunchmaster.com. When you are online, you will be able to view full color images, descriptions and nutritional information about all your options. Menus are available online 24 hours a day, seven days a week, but if you prefer a paper menu, you can contact us and we will get one to you.

Go to the LunchMaster website at www.thelunchmaster.com.

- **Request a log-in and password before you start ordering.** If you have more than one student, you will need to register each one separately.
- **It can take up to three business days** for us to verify that your child is a student at the school and email your log-in back to you. Once you have your log-in and password, you can go online any time and order. Since there is only a delay this first time, we encourage you to register at the beginning of the year if you think you may want to use the lunch program any time during the school year. That way you will be ready to go!
- If you want to use a paper menu instead of ordering online, please contact LunchMaster (not the school office) at (650) 596-8008 and we will mail, fax, or email one to you.

How to Order

The best way to order is to go online to our website at www.thelunchmaster.com.

- Go online and pick an entrée for each day you would like to buy lunch. There's no minimum!
- You can order up to two months in advance, but **you need to order by Thursday, midnight the week before in order to place the meal orders for the following week.**
- You can pay for your order online with a credit card.
- On Friday the week before, you will be e-mailed meal tickets for the next week. Your student should bring these meal tickets to school – the ticket lets the person working in the lunchroom know what was ordered for that day. Meal tickets make the process go much quicker, **but if you forget the tickets, don't worry, there will be a list of what each child ordered and someone there to help them.**
