

Application to Be an Altar Server 2011-2012

Name of Candidate _____ Grade/Room _____

I would like to be an active participant in St. Cecilia's Parish through the ministry of Altar Serving. I understand that serving on the altar at St. Cecilia's Church is a privilege. **After being trained, I accept the responsibility to serve each of the Masses that I am assigned or to arrange for a reliable substitute.** I will be ready to serve each Mass at least ten minutes before it begins.

If a Mass assignment is missed due to an unforeseen family circumstance, I will advise one of the moderators immediately. *Make-up Masses must be on a prearranged and preapproved basis with one of the moderators.*

In addition to assisting our priests with the celebration of the Mass, I realize that, more than anything else, I am a prayer leader. When people at Mass see me actively participating through listening, responding and singing, they will feel more comfortable about praying and singing themselves. I am a model of how people participate at Mass.

I commit to serve for the 2011-2012 school year and the summer of 2012 after which I will have an opportunity to recommit for the following year.

Please write legibly.
