## *We're Better Together!*

### A Note From Mrs. Garcia

Holy week is now becoming the Easter Triduum - the three holiest days in the Church Calendar. Holy Thursday commemorates the Last Supper, the institution of the Holy Eucharist, and the Agony in the Garden. On Good Friday we reenact the Accusations, the Passion, and Death of Jesus on the Cross. Holy Saturday reminds us of the many hours that Jesus lay in the Tomb - the time that the World was without the True Presence of Jesus! Let us remember the blessings that have come to us throughout the ages because of Jesus' final three days as the Man, Jesus of Nazareth! And then, look forward and realize that there was an amazing victory on Sunday morning - The Resurrection! Jesus so loved the World He rose from the Dead to embrace each of us one more time!

*Dear Friends, You are wished all the blessings of Easter and of springtime ~ the bright hope and promise of nature's renewed beauty. May you experience a new assurance that God dearly loves you, today, tomorrow, and always.*

*Happy Easter St. Cecilia School and Parish*

*Be safe throughout our Easter holiday. See you on April 29<sup>th</sup>.*

*Joy,  
Mrs. Kathie Garcia*

**EdRev**  
**Expo** | 2019

*Saturday, May 4, 2019*

**EdRev Expo combines an educational conference with a celebratory community day at the ballpark, where you will have access to:**

- \***Over 50 valuable sessions** for parents, educators and other professionals on topics related to the 1 in 5
- \***Exhibit hall** showcasing the latest learning technology, a stunning student art gallery, as well as 100+ schools, community organizations and service providers focused specifically on learning and attention differences
- \*Student celebration on the field with **live music and outdoor activities.**
- \***Free, onsite 30-minute consultations** for parents with expert psychologists from CHC so parents can access care on the spot
- \***Free attendance** for all

EdRev Expo offers a wide range of information, activities and resources for:

- \***Students** with learning and attention differences, often accompanied by anxiety and depression
- \***Parents** and other **family members** of these students
- \***Educators** and other **professionals** who support these students
