We're Better Together!

A Note From Mrs. Garcia

Counting Down...this is always an exciting activity ~ counting down the final seconds in a thrilling game between rivals; counting down the days until a Birthday celebration; counting down until Christmas Eve; and counting the days until summer vacation! Here at St. Cecilia School we are counting. The Class of 2019 has 4 school days until their Baccalaureate Mass on May 30th and 5 until their Graduation Ceremony on May 31st!

Families may be counting the days until that special trip begins...Students are ticking off the days ☐ 13, 12...Teachers are counting up achievements to ready report cards...End of the year and summer count downs are exciting! No matter where you are in the counting, take time to enjoy each day, each event, and every opportunity to remember the past 180 days! This year has provided so many moments to prove St. Cecilia's is the Finest The Greatest The Best!

Joy,
Mrs. Kathie Garcia
